

CYNTHIA BURKE

San Diego, CA

Cell: (619) 972-6697

Cburke92127@gmail.com

LinkedIn: <https://www.linkedin.com/in/cynthiaborkephd/>

EDUCATION:

Ph.D., Experimental Social Psychology, University of California, San Diego, November 1998. Dissertation title: "The Role of Visual and Auditory Information in Eyewitness Recognition".

M.A. Experimental Social Psychology, University of California, San Diego, June 1994.

B.A. Psychology, Minor International Studies, The American University, Washington, DC, May 1989.

PROFESSIONAL EXPERIENCE:

Senior Director, San Diego Association of Governments, Data Science, February 2022 - present

Director, San Diego Association of Governments, Department of Research and Program

Management, San Diego, November 2019 – February 2022

Director, Applied/Criminal Justice Research Division, San Diego, CA, January 2003 – November 2019

Senior Research Analyst, January 2002 – January 2003

Senior Regional Planner, November 2000 – January 2002

Associate Research Analyst, November 1997 – November 2000

Research Assistant, September 1992 – December 1996

- Oversee ten data departments that include Geographic Information Systems, Demographic Estimates and Forecasts, Transportation Modeling, Economic Analyses, Data Science and Open Data Portals, Data Governance, Quality Assurance and Control, Criminal Justice Research, Applied Research, and the Automated Regional Justice Information System (ARJIS)
- Seek and create competitive grant applications for funding;
- Direct research priorities and keep abreast of current and timely issues of interest;
- Oversee efforts, including the creation of policy and procedures, to ensure the confidentiality and privacy of data;
- Ensure equity in all stages of the research process, including the interpretation and communication of research results;
- Develop and implement policies and protocols related to the quality control and peer review of all agency data;
- Lead, manage, and develop staff of approximately 75;

- Serve as the Principal Investigator for over 60 state, privately, and federally-funded research projects;
- Determine budget needs and allocate resources; manage annual budget of approximately \$3.0 million;
- Coordinate with Board members, including local elected officials and directors of public safety organizations;
- Collaborate with variety of stakeholders by serving on coalitions and commissions;
- Oversee all performance monitoring activities for the agency;
- Oversee the design of research protocols and data collection instruments, collection data through a variety of methodologies, including interviews and archival sources;
- Perform statistical analysis, including uni-variate and multi-variate techniques;
- Provide staff support to policy committees composed of elected officials and working groups;
- Direct data visualization efforts and ensure data are translated into actionable information;
- Interact with public to communicate relevant research findings;
- Represent the agency to media outlets, including completing live television and radio interviews;
- Draft reports and data summaries for a variety of audiences, from peer-reviewed articles to technical reports and easy-to-read executive summaries; and
- Disseminate criminal justice information to public and private agencies and present research findings to academic and professional groups.

Research Assistant, Institute for Social Analysis, Alexandria, VA, January 1992 – May 1992

- Assisted in the design of evaluation mechanisms for federally-funded problem-oriented policing project; and
- Conducted field research for evaluation of community-based drug prevention programs.

Program Specialist, National Crime Prevention Council, Substance Abuse Prevention Programs, Washington, DC, June 1989 – January 1992

- Designed and implemented training workshops;
- Developed, tested, and coordinated the national distribution of drug prevention materials to elementary schools and law enforcement agencies nationwide;
- Drafted grant proposals; and
- Assessed programs and prepared efficiency reports.

RECENT PUBLIC SAFETY-RELATED RESEARCH EVALUATIONS:

- Alternatives to Incarceration: San Diego County-funded effort to understand how and why incarceration during the pandemic

- Juvenile Justice Crime Prevention Act: An impact evaluation of four San Diego County Probation Department juvenile delinquency projects.
- Substance Abuse Monitoring: A study that involves interviewing adult and juvenile about their drug use history, as well as obtaining an objective measure of their recent drug use.
- Promise Neighborhood: Two evaluations of comprehensive community partnership to improve outcomes for youth of all ages in a targeted community.
- Human Trafficking: Three separate projects focused on addressing the needs of human trafficking victims.
- Drug Policy Gap Analysis and Evaluation: An effort to understand the effect legislative changes have had on individual's ongoing contact with the justice system.
- Proposition 64: Three grants awarded to jurisdictions in San Diego County (Cities of San Diego, Chula Vista, and La Mesa) to evaluate programs put into place to address juvenile drug use and the illegal distribution of marijuana outside legal channels.
- Project Safe Neighborhoods: Research partner for this effort to reduce gun violence in the San Diego region.
- Credible Manager Program: A state-funded evaluation of efforts to address gang-related behavior among youth in our communities.
- Juvenile Diversion: An evaluation of the District Attorney's new pre-adjudication for youth with justice system contact.
